Description

Embrace contemporary village living with this modern two-bedroom house currently under construction in the charming community of Kiti, scheduled for completion in 2027. Offered at 199,000 EUR, this home offers 86 m2 of thoughtfully designed internal space tailored for effortless everyday comfort.

Inside, the layout welcomes an abundance of natural light across an inviting open-plan living and dining area. The residence features two restful bedrooms alongside two modern bathrooms, creating a functional and balanced environment. Delivered unfurnished, the interior provides an inspiring blank canvas ready for you to customize with your own distinct style and furnishings.

Located in a peaceful residential setting, this property combines relaxed neighborhood living with exceptional everyday convenience. Its location close to the highway ensures smooth travel and swift commutes across Cyprus, allowing you to enjoy tranquil surroundings without sacrificing accessibility.

An ideal opportunity for small families or professionals seeking a brand-new modern residence. Connect with Marinos Kineyirou Estate Agents today to discover more details about this upcoming property.
