Description

Ground floor house which has another upper-floor house above it in Larnaca, new hospital area, near metropolis mall.

This ground-floor house with 60 square meters of interior spaces, features two bedrooms with en-suite bathrooms in each. Designed to meet the needs of contemporary living built in 2025, the property is fully furnished with tasteful décor and quality furniture, ready for you to move in.

Located in the desirable area of New Hospital, this house is perfect for those seeking convenience and comfort. The neighborhood is well known for its quiet streets and easy access to everyday amenities such as supermarkets, shops, and cafes. The area is particularly popular with professionals and families, thanks to its proximity to the highway, making commuting quick and simple.

The property's modern design offers a fresh and welcoming atmosphere, ideal for tenants who value quality and convenience. Enjoy the benefits of living in a new build, with everything you need just a short drive or walk away.
