Description

Enjoy elevated modern living in this top-floor penthouse, scheduled for completion in 2028 within the welcoming community of Vergina. Offering 80 m2 of internal space and distinguished by an impressive A+ energy efficiency rating, this home is designed for sustainable, low-cost everyday comfort.

The well-arranged layout captures expansive city views and an abundance of natural light throughout the living areas. Two comfortable bedrooms are complemented by two modern bathrooms, offering ideal privacy and functionality for couples, professionals, or small families. With elevator access directly servicing the floor and an unfurnished interior, you have a pristine blank canvas ready to be styled to your exact personal taste.

Vergina provides a peaceful residential environment with local amenities and shops close by. Its prime location near the highway ensures swift, seamless connections to the center of Larnaca and surrounding regions for effortless daily commutes.

Take the next step toward securing this stylish new home by contacting Marinos Kineyirou Estate Agents today to register your interest.
