Description

Set for completion in 2027, this stylish 51 m2 one-bedroom apartment in the New Hospital area presents a fantastic opportunity for professionals or investors seeking modern living. From its elevated vantage point, the residence will showcase sweeping panoramic city views.

Inside, the thoughtfully arranged interior flows effortlessly across a bright open-plan layout. The central living area creates a welcoming setting to unwind or host guests, complemented by a comfortable bedroom and a sleek, modern bathroom designed for effortless everyday living.

Situated in a prime residential setting, this address places you conveniently close to neighborhood amenities, keeping daily essentials right at your fingertips. Immediate access to the highway further enhances everyday convenience, connecting you smoothly to surrounding districts and coastal destinations.

Ideally located in a quiet residential area, near Metropolis Mall and surrounded by beautiful green areas with palm trees. Only 2 minutes from all major amenities, offering the perfect balance of tranquility and convenience.

Project Features:

- 1-bedroom luxury apartments
- High-end finishes
- Smart home system
- Fully automated building
- Contemporary architecture
- Excellent investment opportunity
